1. I, the undersigned, request summer boating facilities at the Beaconsfield Yacht Club.
2. I recognize that acceptance of this application is dependent on the availability of dock, mooring or dry sail facilities. The facility requested will be assigned based upon Club membership seniority and availability. Once a facility type has been assigned to a member, it will not be taken away unless the member changes boat(s) and it might be necessary to revert to mooring status. In such cases, displaced members would be placed on the dock waiting list (based upon Club seniority) ahead of members who have never had dock space and would be assigned in the next available appropriately sized dock space.
3. I acknowledge that the Club, as represented by the Manager, shall determine the suitability of any available space.
4. I acknowledge that the Club has no responsibility, nor do they assume any responsibility for accidents, thefts, loss or damage of any nature, either on land or water.
5. I further agree to maintain proper Liability Insurance on my vessel while docked, moored, stored or utilizing Club property, and to maintain identification on the hull either by name or number or as requested by the Harbour Master.
